**We bring the fun to
the children.**

Play - Learn - Grow

**Teaching at a young age
physical fitness can
be fun.**

**Our classes are all about
learning and exploring, and
developing self-confidence. Our
classes offer lesson planned
activities with opportunities for
these. Our instructors provide a
positive learning experience -
teaching that learning can be fun.**

**Tumble Town Bus is an
opportunity for busy families
to bring their child something
extra for a few dollars per week.**

**Our Mission:
Children First, Fun and
Exercise Second,
Safety Always.**

Equipment and Activities include:

- Tumbling - Log Roll
- Zip Line - Ball Pool
- Trampoline - Whopper Hoppers
- Balance Beam - Ball Throw
- Climbing Activities - Music
- Rock Wall - Slides
- Tunnels - Ring Toss
- Dance - Hopscotch
- Pole Climb - Rope Climb
- Monkey Bars - Recognition

Teach your children that exercise can be fun.

Our staff are all trained professionals. Instructors make the experience memorable, educational with a lot of love.

Your child will be talking about their fun on the Tumble Town Bus.

Our classes are small so the children are engaged and always supervised.

Children are escorted to and from the bus to ensure children's safety. Children are never transported on the bus.

Recognition - Children are rewarded with a stamp, a sticker, and/or sometimes a souvenir.

Type 2 diabetes is increasing at alarming rates in our young people today and it is totally preventable. We must get our children up and active.

Insurance companies are considering charging additional premiums for anyone more than 50 lbs. overweight.

Children's development must include physical as well as mental development. Physically fit children actually learn at a much faster rate.

Call Tumble Town Bus to arrange a free class on the bus if your preschool or daycare participates. It's something your child will continue to talk about.

**Pictures on the Bus:
Pictures of the children on the bus will not be taken, because they can not be adequately protected for the children's security. We will post pictures of the equipment within the bus to give parents information about our activities.**

We are physical education for preschools and daycares.
